### **1. Apologies:**

P.Parker, P.Greenwood C.Kirk

### **2. Approval of Minutes:**

The August minutes were accepted as accurate. Proposed by H.Johnson and seconded by J.Slater

### **3.Matters Arising:**

The group enquired how Dr Fowler was and Katie confirmed that Dr Fowler would be returning to the surgery in September.

A stall for fund raising has been arranged at the Clay Cross Indoor market to be held on the 1<sup>st</sup> December 2012.

More information has been received concerning the grant from the Parish Council and the Groups application will go forward.

The Market Stall in August went well but there is generally a lack of people shopping in the Clay Cross alternative sites may need to be considered for future events. Tesco may be approached to ask if the group could have a stall inside their store.

The Grassmoor surgery was discussed and as there was no representative at the meeting from there it was suggested that the October PPG meeting be held at Grassoor Surgery. Notices to go up in the Sugery and on the website inviting anyone interested in joining the PPG to attend.

### **4. Treasurers Report:**

The treasurer reported a balance of £331.14 on hand. A profit of £270 having being raised at the Market Stall and by selling the Quiz Sheets.

The next fund raising would take place at the Flu days dependent on getting enough volunteers to help on the day.

There will be a raffle in addition to the usual sale of books, brik-a-brack etc.

## **6. C.Q.C.**

Nothing further to report at present.

## **7. C.C.G**

Another patient reference group meeting will be held in October and further details should be available shortly.

## **9. Any Other Business**

B.Flude advised that he would be stepping down from the PPG due to work commitments.

J.Kirby raised the matter of obtaining a banner for displaying at our events. J.Poet has something for now but further information will be obtained from other companies on costs of supplying one. It was thought this would be approximately £40.

Katie asked the group for their thoughts on the Acupuncture Service that Dr Wayman provided at the Surgery. The group were strongly in favour of this service and were agreeable that this service should be offered out on a private patient basis.

Meeting closed at 9pm

Date of next Meeting 11<sup>th</sup> October 2012 at 7.30pm at the Grassmoor Surgery
